Professional Summary

BSc IT graduate from Mumbai with hands-on experience in manual software testing, data analytics, and business documentation. Built real end-to-end projects using Power BI, Excel, and SQL — validating data accuracy across tools. Actively learning AI tools like ChatGPT and Claude for documentation and productivity workflows. Strong learning mindset demonstrated through 4 self-built analytics projects.

Technical Skills

Testing & QA: Manual Test Case Design · Pass/Fail Execution · Defect Identification · Severity Classification · Test Documentation

AI Tools (Learning): ChatGPT · Claude AI · AI-assisted documentation · Prompt-based analysis workflows

Data Analytics: Power BI · DAX Measures · KPI Dashboards · Excel · VLOOKUP · Pivot Tables · Data Validation · Conditional Formatting

SQL: SELECT · WHERE · GROUP BY · HAVING · ORDER BY · COUNT · SUM · AVG · SQLite

Documentation: BRD · Agile User Stories · Test Case Design · Process Documentation · Reporting

Core Strengths: Attention to Detail · Fast Learner · Structured Problem Solving · Teamwork · Communication

Internship

Software Engineer Intern · Static.Int Educare · Mumbai

Jun 2022 – Aug 2022

- Completed structured technical training in software development fundamentals and programming concepts
- Executed assigned technical tasks and contributed to documentation in a professional team environment

Projects

Employee Onboarding System — Business Analysis · BA · QE Project

2026

- Designed and executed **10 manual test cases** with Pass/Fail status and severity levels — identified 2 defects in approval and report modules
- Documented BRD covering 6 modules and wrote 6 Agile User Stories with acceptance criteria and system workflow

E-Commerce Sales Analytics Dashboard · Power BI · Featured Project

2024

- Built **3-page interactive Power BI dashboard** analyzing 501 orders — tracked ₹6.97L revenue, 12.57% return rate across 8 categories and 6 cities
- Validated DAX measure outputs against SQL queries and Excel results to ensure 100% data accuracy across all 3 tools

🔗 Live Dashboard: gaurangtiwari22.github.io/Gaurang_Tiwari_Ecommerce_Dashboard.pdf

E-Commerce Excel Analysis · Microsoft Excel · Self Project

2024

- Analyzed 501 orders using SUMIF, AVERAGEIF, COUNTIF, IF formula and VLOOKUP-based live order search tool
- Applied data validation dropdowns, conditional formatting, and built 7 live KPI cards with pivot charts on Dashboard sheet

E-Commerce SQL Business Queries · SQL / SQLite · Self Project

2024

- Wrote 5 SQL queries using SELECT, WHERE, GROUP BY, ORDER BY and aggregates to extract revenue and return insights
- Cross-validated all SQL outputs against Power BI dashboard numbers to confirm data consistency

Education

Bachelor of Science — Information Technology (BSc IT)

2023 – 2026

Thakur Shyamnarayan Degree College · Mumbai University, Maharashtra · CGPA: 8.4

Diploma in Computer Engineering

2021 – 2023

Thakur Polytechnic · MSBTE, Mumbai, Maharashtra

Certifications

Power BI for Beginners · Simplilearn × Microsoft · Code: 9771097

Jan 2026

Introduction to MS Excel · Certified Course · Code: 9982796

Mar 2026
